Dear All,

I just wanted to say a massive thank you to you all for the wonderful gift bags that you gave to the women in our 2 refuges for Christmas.

When I came and collected the bags from Karen I was completely overwhelmed by the generosity of the gifts. I had given Karen a list of the sort of things the women would like, I didn't expect everything on the list to be in them!

The women were equally overwhelmed by the kindness shown to them. One women said that the mini Christmas tree would always remind her of when she felt safe. Another woman called Kelly said that it was as if you knew her as she loved everything in the bag.

I just wanted you all to know that your kindness and generosity went such a long way and that it really was appreciated.

Best Wishes
